

DON'T LET GRAN NEAR THE PANCAKE PAN

Chaos in the kitchen always **ensues**
When Granny comes round every Shrove **Tues-**
Day when things don't go to plan
Don't let Gran near the pancake pan

Pancake batter mix - not quite right
Much too heavy when it should be light
Eggs, flour and - All Bran?!
Don't let Gran near the pancake pan

She says that it's not her fault
Adds some pepper and then some salt
Chilli sauce and strawberry jam!
Don't let Gran near the pancake pan

Milk and sugar, honey and cheese
Mustard, custard, curry and peas
Whisk in whisky, spam and ham
Don't let Gran near the pancake pan

Everything is tossed up high
It's all squashed as she lets fly
Mum disappeared and dad just ran
Don't let Gran near the pancake pan

Windows, ceiling, tables, door
Splattered more across the floor
Blocked up the extractor fan
Don't let Gran near the pancake pan

More lethal and dangerous than
King Kong fighting Jackie Chan
We all think that we should ban
Don't let Gran - don't let Gran
Don't let Gran near the pancake pan
