

I DON'T WANT A HEALTHY HALLOWEEN

I'm a monster – I'm a vampire
I'm a werewolf – I'm a beast
I dress up and look forward
To this yearly feast
Sickly sweet, I love to eat
My trick or treat sweet dream
I don't want a healthy Halloween

Lots and lots of lollipops
That's what I'm dreaming of
Mountaintops of chocolate drops
Candy floss – I love
Icky sticky sugared slicky
Fizzy soda stream
I don't want a healthy Halloween

Lantern lit – this is it
Knock knock knock knock knock
Down the street - trick or treat
Then I got a shock
Mrs B – at number three
Her trick was really mean
I don't want a healthy Halloween

She thought she'd played a joke
She thought it was a funny 'un
Went inside and came right back
Giving me an onion
Then a carrot, celery stick
And a runner bean
I don't want a healthy Halloween

Cabbages and cauliflowers
Little red courgette
Brussel sprouts, potatoes ...
I ain't seen nothing yet
Please no peas! Or things like these
Not an aubergine
I don't want a healthy Halloween

I may be dressed as Frankenstein
Monster on the prowl
But the gifts she gave me
Really made me howl
Feeling sick thanks to her trick
Not just my face that's green
Carrying my healthy Halloween
