

## THE TEACHERS DON'T TALK IN THE STAFFROOM

The teachers don't talk in the staffroom  
When they are all on their break  
Voices are mumbling  
Tummies are rumbling  
Looking forward to ... cake!

The teachers don't talk in the staffroom  
Are they asleep or awake  
We found out why  
When peeping inside ...  
Their mouths are full of ... cake!

The teachers don't talk in the staffroom  
But oh! The noises they make  
Are chomping and chewing  
What are they doing?  
Stuffing their faces with ... cake!

The teachers don't talk in the staffroom  
So much time that they take ...  
On slices too big  
They eat like a ...  
Gobbling lots of ... cake!

The teachers don't talk in the staffroom  
They all have tummy ache  
Grunting and groaning  
All of them moaning ...  
*I've eaten too much ... cake!*

The teachers don't talk in the staffroom  
But they are all putting on weight  
Forgetting their diet  
It's just like a riot  
Racing to get to the ... cake
