

THE DINOSAUR THAT'S LOST ITS ROAR

Like a monkey with no swing
A ping pong ball that's lost its ping
A bumble bee without a sting
Or a house that's lost its door
A microwave that's lost its beep
A shepherd who has lost their sheep
Or a kangaroo that's lost its leap
The dinosaur – the dinosaur
The dinosaur that's lost its roar

A boa constrictor with no squeeze
A freezer that has lost its freeze
An empty pod that's lost its peas
Or an apple with no core
A footballer who's lost their boots
A mighty redwood with no roots
A midnight owl who's lost its hoots
The dinosaur – the dinosaur
The dinosaur that's lost its roar

Like a flip that's lost its flop
A rabbit that has lost its hop
Karate kid who's lost his chop
Or the sea that's lost its shore
Like a clock that's lost the time
Or the sun that's lost its shine
Or the poem that has lost its ... word
The dinosaur – the dinosaur
The dinosaur that's lost its roar

Like a ship that's lost its course
Or a cowboy with no horse
Or the code that's lost its morse
A soldier with no war

Like a cat that's lost its claw
A crocodile who's lost his jaw
All of these and so much more
The dinosaur – the dinosaur
The dinosaur that's lost
The dinosaur that lost
The dinosaur that lost ... (*whispers*) its roar
