

## WHAT DOES THE VOLCAY KNOW?

The Volcay is an ancient creature  
Rocky, grizzled, outcrop feature  
What does the volcay  
What does the volcay  
What does the volcay know?

The volcay knows just how to rumble  
How to make a mountain crumble  
How to make the treetops tumble  
That's what the volcay knows

The volcay is a dangerous beast  
Exploding when expected least  
What does the volcay  
What does the volcay  
What does the volcay know?

The volcay knows that is eruptions  
Are not welcome interruptions  
Causing maximum disruption  
That's what the volcay knows

The volcay sleeps for years and years  
The suddenly the smoke appears  
What does the volcay  
What does the volcay  
What does the volcay know?

The volcay knows that when its blowing  
Smoke and ash and fire glowing  
Molten lava comes a flowing  
Then it's time to go

That's what the volcay  
That's what the volcay  
That's what the volcay knows
